

# Services for Older People

## Home Care Flow Chart

### CHSP

#### (Commonwealth Home Support Program)

- First step for help at home.
- Approved for the specific services you need.
- You can contact different providers to provide different services.

### HCP

#### (Home Care Packages)

- More complex care ranging from Level 1 - 4.
- You can choose an approved provider who will assist you, coordinate & manage all your services.
- You may be placed on a waiting list.

### Choosing a provider

- You can call My Aged Care or use the service finder on the MACW site.
- For Home Care Packages you need to wait until you are assigned a package.
- Once assigned a package you can start.
